

## Roundtable on Doing Business in India. How Can Danish Companies Contribute?

Nordic Indian Business Chamber of Commerce (NIBCC) invites you to a roundtable on doing business in India, on the 26th January 2015 at 15:30 to 18:30.

India's 65th Republic Day honors the implementation of the Constitution of India that came into force on 26 January 1950.

One of the world's largest economies, India is showing renewed signs of growth that can help global growth on track. The positive signs are coming primarily from India where the political uncertainty is removed, and month by month growth rates are impressive.

Prime Minister Narendra Modi has contributed to the political stability which will lead to faster reforms, as the economy grows. Mr. Modi is regarded as business-friendly and able to increase the confidence of foreign investors in India.

Indian manufacturing index, a sub-index for new orders, the service sector and the promise of growth is at its monthly highest levels compared to the previous month. Infrastructure investments and urban population will also increase with 70 million until 2020

On the flip side, there is an increase in redevelopment, degradation of ecosystem, periodic flooding, water scarcity, growing demand for utilities and incomes are expected to quadruple in the coming decade.

Come at hear the latest updates on how your company can participate in this development for mutual benefit.

The primary goal of the NIBCC is to promote business and cultural ties between India and the Nordic countries; NIBCC is a business and cultural forum for personal, corporate, company and professional network for individuals, private members, officers, directors, board members, CEO's, CFO's, Auditors, Lawyers and related companies, organizations and corporate funds with an interest to develop business, trade and cultural activities between the Nordic countries and India.
