

PARTNERSHIP SUMMIT 2015

Partnerships for Shared New Realities

15-17 JANUARY 2015, JAIPUR, RAJASTHAN

The next edition of the Partnership Summit is scheduled from Thursday, 15 January – Saturday, 17 January 2015 in Jaipur, Rajasthan and marks the 120 year of Confederation of Indian Industry (CII) existence.

CII has been organizing its flagship international investors meet- The Partnership Summit in association with the Ministry of Commerce and Industry, Government of India. The Summit started in the year 1995 to commemorate the Confederations centenary year. With over 20 years of active engagement and collaboration of India at a global level, the Summit attracts 1200-1500 delegates every year with over 40 per cent participation from overseas.

The Summit provides a platform to seize huge opportunities by fostering links in various sectors which need to be addressed to catalyze and enable growth at the macro level. A common platform to leaders from all walks of life to closely examine the synergies that spark the next phase of global growth and play a proactive role in building new bridges to the emerging world by fostering links globally.
